

Program for Leading Graduate Schools (All Round Category)

PhD Professional

Gateway to Success in Frontier Asia

Admission to 2015 PhD Professional Studentship : 3rd Round

“For Students of Graduate School of Engineering”

We are now recruiting new students for the “*PhD Professional: Gateway to Success in Frontier Asia*” program 2015.

The program aims to nurture talents to become leading figures in a variety of fields: business administration and management, government, law, and politics, education and scientific research, mass media and communications, and for-profit or non-profit international organizations and other relevant fields. This program offers dedicated lessons, English training, overseas training, seminars and opportunities for internship.
